Production of foodgrains and commercial Crops

1485. SHRI RAMESHWAR KUMAR AGARWALLA : Will the Minister of AGR1-CULTURE be pleased to state :

(a) the quantum of production which has been recorded in foodgrains and commercial crops in the country during the year 1993-94 State-wise;

(b) whether it is a fact that Bihar is one of the States producing lowest foodgrains as well as other commercial crops, if so, the reasons thereof; and

(c) what measures Government are contemplating to enhance the production of foodgrains and other commercial crops in the State?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI S. KRISHNA KUMAR) : (a) State-wise production of foodgrains and commercial crops during the year 1993-94 is given in the enclosed Statement. *(See* below)

(b) Bihar is one of the States having low average production per hectare of most of the principal crops except maize and small millets.

(c) For increasing the productivity and production of foodgrain and commercial crops, crop oriented production programmes namely. Integrated Cereal Development Programme, National Pulses Development Programme, Oilseeds Production Programme and Special Jute Development Programme are being implemented in the State.
